*Priority 3 -Support for trade unions, collective bargaining and social dialogue: “Defend and strengthen trade union and workers’ rights including the universal right to organize, union access to workplaces, the right to bargain collectively and the right to strike”;*

*Priority 4 - Safe work: “Improve and expand the EU occupational health and safety legislation and other European initiatives to achieve zero deaths at work or caused by work (...). Address psychological risks and online harassment and shaming at work through a European Directive.”*
